Commenting on Equipment Performance
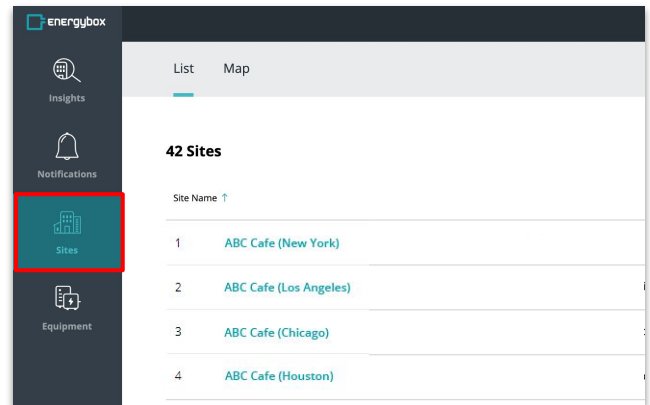

energybox

1

Click the "**Sites**" button on the left menu bar. This will take you to a list of all of your sites.
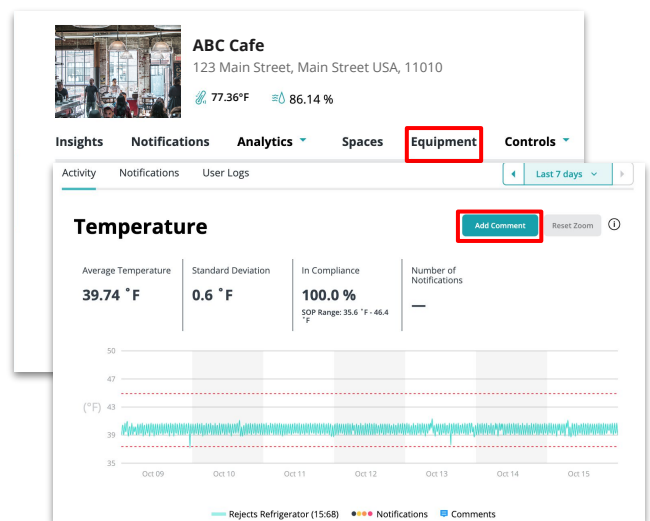

Select a site from the list.

2

Click the "**Equipment**" tab, then select an equipment.

Select the "**Comment Mode**" button in the right corner above the performance chart.

3

Once "**Comment Mode**" is selected, click on any point in the performance chart and a pop-up will appear.

Select a Comment Type, enter in your desired text, and click Done to save your comment.
